

devil in the detail pdf

"The devil is in the detail" is an idiom that refers to a catch or mysterious element hidden in the details, meaning that something might seem simple at a first look but will take more time and effort to complete than expected and derives from the earlier phrase, "God is in the detail" expressing the idea that whatever one does should be done ...

Chronic obstructive pulmonary disease (COPD) is a heterogeneous condition with considerable pathophysiological and clinical variability across patients [1]. For this reason, the current Global Initiative for the Management of Chronic Obstructive Lung Disease (GOLD) report recommends an individualised treatment approach for patients with a diagnosis of COPD that has been established by ...

Pharmacological treatment of COPD: the devil is always in

A devil is the personification of evil as it is conceived in many and various cultures and religious traditions. It is seen as the objectification of a hostile and destructive force. It is difficult to specify a particular definition of any complexity that will cover all of the traditions, beyond that it is a manifestation of evil.
