Discipline and Punish: The Birth of the Prison (French: Surveiller et punir : Naissance de la prison) is a 1975 book by the French philosopher Michel Foucault. It is an analysis of the social and theoretical mechanisms behind the changes that occurred in Western penal systems during the modern age based on historical documents from France. Foucault argues that prison did not become the ...

Discipline and Punish - Wikipedia

Discipline is action or inaction that is regulated to be in accordance (or to achieve accord) with a particular system of governance. Discipline is commonly applied to regulating human and animal behavior, and furthermore, it is applied to each activity-branch in all branches of organized activity, knowledge, and other fields of study and observation.. Discipline can be a set of expectations ...
